

October 21 - Launch Pulse

Print only this event page; one reusable clipboard copy per mentor table.

Two-minute conversation

Can each team name its user, intended interaction, smallest first test, and safe starting point?

Project / team	User + need	Smallest test	Owner before next work block	Status

Status key

READY / MAKE SMALLER / SAFETY TALK / NEEDS MENTOR MATCH. Status is a coaching signal, not a grade.

December 2 - Project Rescue

Print only this event page; one reusable clipboard copy per mentor table.

Two-minute conversation

What is actually working now, what evidence exists, and what must be cut or repaired?

Project / team	Working evidence	Current blocker	One rescue move	Status

Status key

CONTINUE / CUT SCOPE / REPAIR FIRST / TECH LEAD. Status is a coaching signal, not a grade.

January 13 - Clean Restart

Print only this event page; one reusable clipboard copy per mentor table.

Two-minute conversation

Can the team restart from saved evidence without reconstructing the whole project?

Project / team	File / stored build	First five-minute action	Who begins	Status

Status key

READY / FIND EVIDENCE / REPAIR / REMAP ROLES. Status is a coaching signal, not a grade.

February 10 - Reliability + Backup

Print only this event page; one reusable clipboard copy per mentor table.

Two-minute conversation

What works repeatedly, what still fails, and what can visitors experience if the main interaction fails?

Project / team	Repeated proof	Known failure	Safe backup	Status

Status key

GALA PATH / MORE TRIALS / BACKUP FIRST / DISPLAY ONLY. Status is a coaching signal, not a grade.

Next-Action Project Bookmarks

Print on cardstock only when a project needs a physical restart cue; cut on dotted lines.

NEXT FIVE-MINUTE ACTION
Project: _____
First person: _____
Use / open: _____
Do this first: _____
Stop and ask if: _____
Leave with the project in the studio - not homework.

NEXT FIVE-MINUTE ACTION
Project: _____
First person: _____
Use / open: _____
Do this first: _____
Stop and ask if: _____
Leave with the project in the studio - not homework.

NEXT FIVE-MINUTE ACTION
Project: _____
First person: _____
Use / open: _____
Do this first: _____
Stop and ask if: _____
Leave with the project in the studio - not homework.

NEXT FIVE-MINUTE ACTION
Project: _____
First person: _____
Use / open: _____
Do this first: _____
Stop and ask if: _____
Leave with the project in the studio - not homework.

Mentor use

Write the cue with the team during the lunch conversation. Place it inside the project bin, on the sleeve, or beside the saved-device label so the next workday begins with action instead of recall.
